This certificate is not valid if the serial number has been defaced or altered

Certsure LLP, Mansfield Business Centre, Ashfield Avenue, MANSFIELD NG18 2AE.

Issued in accordance with British Standard 7671 - Requirements for Electrical Installations by an ELECSA Registered Domestic Installer,

IRN/

Installer's Reference Number

DETAILS OF THE CLIENT

Client and address

ADDRESS OF THE INSTALLATION

Installation address Postcode CO10 9AG

DETAILS OF THE INSTALLATION

Extent of the installation work covered by this certificate

Test electrical system

The installation is

New N/A

addition N/A

alteration N/A

DESIGN, CONSTRUCTION, INSPECTION AND TESTING

I, being the person(s) responsible for the design, construction, inspection and testing of the electrical installation (as indicated by my signature adjacent), particulars of which are described above, having exercised reasonable skill and care when carrying out the design, construction, inspection and testing, hereby CERTIFY that the said work for which I have been responsible is, to the best of my knowledge and belief, in accordance with BS 7671, 2018 amended to 2020 (date) except for the departures, if any, detailed as follows:

Details of departures from BS 7671, as amended (Regulations 120.3, 133.5)

None

The extent of liability of the signatory is limited to the work described above as the subject of this certificate. For the DESIGN, the CONSTRUCTION and the INSPECTION AND TESTING of the installation

(CAPITALS) Y DU PAVE

Date 13/10/20

The results of the inspection and testing reviewed by the Qualified Supervi sor

Signature & Run

Name Y DUPAUE

Date 13/10/20

PARTICULARS OF THE REGISTERED DOMESTIC INSTALLER

Ace Electrical

Address 23 High bury way
ELECSA Sudbury

Telephone No

Postcode COIO OILE

ELECSA Registration No

NEXT INSPECTION

§ Enter interval in terms of years, months or weeks, as appropriate

RECOMMEN D that this installation is further inspected and tested after an interval of not more than

Note: Enter 'NONE' or, where appropriate, the page number(s) of

COMMENTS ON EXISTING INSTALLATION

additional page(s) of comments on the existing installation

None

In the case of an alteration or additions see Section 633 of BS 7671

SCHEDULE OF ADDITIONAL RECORDS*

See attached schedule

None

*Where the electrical work to which this certificate relates includes the installation of a fire detection/alarm system (or a part of such a system), this electrical safety certificate should be accompanied by the particular certificate for the system.

Please see the 'Notes for Recipients' on the reverse of this page.
