Hello RUPERT,

13th August 2025**Your loan application**

Thanks for applying for a Tesco Bank Loan.

We've agreed your loan

We're delighted to tell you we've approved your loan application. When you return your loan documents to us, we'll make some final checks. As long as your details haven't changed, and the checks are fine, we'll pay the loan into your bank account.

If you wish to accept this loan offer, we must receive your signed agreement within 30 days from the date of this letter. Please therefore make sure you allow enough time for posting your signed agreement to us.

Your personal interest rate

We've done our initial credit assessment – this tailors your loan interest rate to your personal circumstances. Your personalised interest rate for this loan is 9.8% APR and the fixed monthly payment is £139.74.

What's in your pack?

- A Step-by-Step Guide to completing your loan application. This helps you complete your application. **It's really important you read this document before you sign your loan agreement.**
- 'Understanding Your Loan'. This gives you important information on how your loan works, including a list of things you need to think about before you sign your Credit Agreement.
- A copy of the Pre-contract Credit Information (PCCI). This sums up the key features of your loan.
- Two copies of your Credit Agreement – one to send back and one for you to keep.

Your payment break and first payment

As you chose to take a payment break at the start of your loan, we'll confirm your first payment date in your welcome letter. We'll take your loan repayment on the 2nd of each month.

Understanding your loan

We are happy to answer any further questions you may have about Tesco Bank Loans. If there is anything you don't understand in this summary, please contact us on 0345 600 6016*.

It's important you think about whether this loan is the right option for you. To help you do this, you should think about these questions:

Is this loan right for me?

- The loan is fixed for a set period of time. It is a personal loan that you can use for a variety of purposes. It would not be suitable if you want flexible credit or credit for a shorter period. If you are using the loan to pay off existing debts this could increase the overall cost you have to pay.
- Your personalised interest rate and fixed monthly payment is shown below and this rate is fixed for the duration of the loan.

Can I afford this loan?

The cost of a Tesco Bank Loan is explained in sections 2 and 3 of your Pre-contract Credit Information (PCCI) and in your Credit Agreement. These tell you:

- The total amount you'll borrow: £3,000.00
- The total amount you'll agree to pay back: £3,353.76
- Monthly Repayment: £139.74
- The interest rates: Your APR is 9.8% and fixed interest rate of 9.3855% per annum (Nominal).
- Our fees and charges, including our charges if you miss a payment or make a late payment.

Think about your current monthly outgoings and in particular your existing financial commitments such as your mortgage, credit cards or other personal loans. Can you still afford to pay these if you take out a Tesco Bank Loan? Will you also be able to make the monthly payments on your Tesco Bank Loan every month?

Withdrawal rights

If you choose to go ahead with the loan you will have up to 14 days, starting on the day after you receive our letter confirming that the loan has been opened, in which to change your mind and tell us verbally or in writing that you want to withdraw from it. You will then have to repay the loan amount (and any interest up to the date you repay) within 30 days of the date on which you have notified us.

Can I make overpayments?

Yes. You can make additional part payments to reduce what you owe and you won't be charged for doing this. We'll automatically use any overpayments to reduce the term of your loan, leaving your monthly repayments the same. We do this to help you pay less interest – by shortening the time it takes to pay off your loan. Alternatively, if you'd prefer us to use your part payment to reduce your monthly repayments and keep your loan term the same, please let us know by calling **0345 600 6016*** before you make an overpayment.

Can I settle the loan in full early?

You can repay the loan in full at any time. In order to do this, you must contact us first to obtain an early settlement figure. Settlement figures are valid for 30 days and therefore automatically include 30 days interest in the early settlement figure.

*Calls charged at basic rate and may be recorded. The number provided may be included as part of any inclusive call minutes provided by your phone operator.

If you pay off your loan early in full, we will also charge you 28 days' interest for early settlement.

Missing payments

Missing payments could have severe consequences for your finances. If you regularly miss payments, it's likely to make obtaining credit more difficult and more costly in the future. This is because missed payments are usually reported to the credit reference agencies, which will adversely affect your credit rating (which most mainstream lenders consult when assessing any borrowing application).

Remember we can charge £12 per missed or late payment. We may also charge interest on the missed or late payment, so you could end up paying more for your loan.

If you regularly miss payments, we may have no choice but to take legal action against you to get the money back and you may have to pay any associated legal costs. This could result in a court making an order against you which might result in:

- An order being granted for you to pay the debt out of your wages, depending on how much you earn. A legal document is sent to your employer which forces them to take money from your wage to pay your outstanding debt to us.
- If you live in England and Wales, we may ask the court for a charging order over your home. If we have a charging order and your home is sold (through repossession or for any other reason), any amounts you owe us will be repaid from the sale proceeds.
- If you live in Scotland, we may get a court order which prevents you from selling your house or securing any further debts against your home.

Other sources of information

If you would like detailed advice on whether to proceed with the application or would like to talk to someone independent then contact your local Citizens Advice Bureau or the StepChange Debt Charity.

CUSTOMER COPY – PLEASE KEEP THIS FOR YOUR RECORDS

Your Tesco Bank Loan. Fixed Sum Loan Agreement regulated by the Consumer Credit Act 1974

Who is this agreement between?

This is an agreement between us, Tesco Bank, 1 Churchill Place, London E14 5HP and you:

Mr RUPERT THOMAS
 MAPLETREE HOUSE
 1 KINGS MEAD
 PEBMARSH HALSTEAD
 CO92NA
 United Kingdom

This agreement sets out the terms and conditions for your loan.

Your loan:

Amount	£3,000.00	Interest rate	9.3855% per annum (Nominal)
Length of agreement	26 months	Number of loan repayments	24
Monthly payment	£139.74	Repayment dates	2nd of each month.
Total amount of interest due	£353.76	APR	9.8%
You agree to pay a total of:	£3,353.76 This is the amount you have borrowed plus interest and other charges.		

We will tell you the date of your first payment in writing once you have been accepted and the repayments will then be on the same date (or the next working day) in each following month. Depending on the date of the first payment, this may extend the length of the agreement by up to one month but will not change the amount of interest you pay or the number of repayments you make.

At the beginning of the loan we work out the interest you will pay over the whole length of your loan and add this to your loan amount. We calculate your interest charge by applying interest at a monthly rate based on the APR to the balance of your loan, as reduced by your monthly repayments. We add this to the loan amount and then divide this total by the number of monthly repayments.

Want to change your monthly repayment date?

No problem. You can change the date once a year during the lifetime of your loan, which may extend the length of agreement by up to one month. This won't affect the amount of interest you pay or the number of repayments you make.

Are there any fees or charges I may have to pay?

Charge	Why?	How?
£12	- Each time you miss a payment - Each time we send you a default notice	By Direct Debit, one month after we tell you about the charge
Our reasonable costs	If we have to take steps to make you repay your loan. For example, this could be the cost of finding you if you do not tell us your new address	By Direct Debit, one month after we tell you about the charge

Can I cancel the loan if I change my mind at the start?

Yes - and you don't have to tell us why you'd like to cancel.

We'll write to you when we have transferred the loan into your bank account. Your right to cancel starts the day after you receive this letter and ends 14 days after that.

To cancel your loan without paying any interest you must:

1. **Tell us you want to cancel within the 14 day period.** To do this, call 0345 600 6016* or write to Tesco Bank, Loans Payment Team, Broadway One, 199 Renfield Street, Glasgow, G2 3AX.
2. **Repay the loan within 30 days of telling us you want to cancel.** To do this, call 0345 600 6016* to pay by debit card, or send a cheque to Tesco Bank, Loans Payment Team, Broadway One, 199 Renfield Street, Glasgow, G2 3AX. Remember if you send a cheque you must allow at least 3 extra days for the money to reach us.

If you cancel the loan within 14 days, but don't repay the loan in full within 30 days, we will add interest. This will be at a rate of £0.45 a day until the loan is repaid in full. This will be on top of the original loan amount you have to repay.

Want to pay us back early after the initial 14 days? Please read "Can I repay my loan early?"

How will you send the money? And when do I get my loan?

We'll make a final decision on whether to lend to you when we receive this signed credit agreement.

If we accept your application, we'll pay the loan to the bank account you chose. We'll tell you when this happens. If you have asked us to repay any of your existing loans with us, we will do this and pay the rest into your bank account.

Can I repay my loan early?

Yes. You can pay all of it or some of it at any time.

Full payment	Call us to find out how much you have to pay and make one payment by cheque or debit card within 28 days. This will include an interest charge. When we work out how much you have to pay we will include any rebate we must give you.
Part payment	If you want to pay more than your monthly repayment, you can do this online as a bank transfer using your Tesco Bank Loan sort code and account number, by debit card over the phone, or by sending us a cheque. If your account is in arrears we will use any extra money you pay to clear your arrears first. Otherwise, we'll automatically use any overpayments to reduce the term of your loan, leaving your monthly repayments the same. Alternatively, if you'd prefer us to use your part payment to reduce your monthly repayments and keep your loan term the same, please let us know by calling 0345 600 6016* before you make an overpayment.

When will my loan end?

You can close your loan account at any time – please see section “Can I repay my loan early”.

Otherwise, your loan will end when you have paid everything back.

Can you ask me to repay the loan early?

Yes. For example, this could happen if:

- You are declared bankrupt, subject to an Individual Voluntary Arrangement, regularly miss your payments or seriously breach the loan agreement.
- We find out you made false or misleading statements when applying for your loan, we have reasonable grounds to suspect you or a third party has used the loan for criminal purposes or is about to commit a crime, or other abuse in connection with use of the loan.

If you've missed a repayment, we will send you a letter giving you the chance to catch up first. We'll also send any notices we have to by law. If necessary, we may take you to court to get you to pay. This could result in a court making an order against you which might result in:

- The court ordering you to pay the debt out of your wages. A legal document is sent to your employer which forces them to take money from your wage to pay your outstanding debt to us.
- If you live in England and Wales, we may seek a charging order from the court. If we get this order, you will have to pay any amount you owe us when you sell your home.
- If you live in Scotland we may get a court order which prevents you from selling your house or securing any further debts against your home.
- You may also have to pay our legal costs.

- You can get a free statement of your account (Amortisation Table) at any time. This will tell you how many repayments you still have to make, the due date and amount of each repayment, the amount of interest and capital in each repayment and any conditions relating to future repayments.
- We may transfer our rights and duties under our agreement with you to another lender or company in the future (this is sometimes called an assignment). In order to facilitate such a transfer, we may share your information with such lenders or companies.
- If your address is in Scotland, Scottish law applies to the contract between us and disputes between us will be referred to the Scottish courts. If your address is elsewhere, English law will apply and disputes will be referred to the English and Welsh courts.
- We will communicate with you in English and you can ask for a copy of these terms and conditions at any time free of charge. Our telephone number is 0345 600 6016*.
- Tesco Bank is a trading name of Barclays Bank UK PLC. Our address is 1 Churchill Place, London E14 5HP. Our consumer credit business is regulated by the Financial Conduct Authority, who can be contacted at the following address: 12 Endeavour Square, London, E20 1JN.
- If you make a complaint, we'll aim to resolve it as quickly as we can. If you're still not happy, you can refer your complaint to the Financial Ombudsman Service (FOS). You can find out more about the FOS by writing to them at Exchange Tower, London, E14 9SR or by telephoning on 0800 023 4567. Details are also available from their website, <http://www.financial-ombudsman.org.uk>

IMPORTANT! Remember, if you miss a payment, it could have serious consequences. It could result in us taking legal action against you, and it could affect your ability to get credit (e.g. a credit card or a mortgage) in the future. It could also increase how much you pay for credit.
