3 things to know about your cover

1. Enclosed documents. We've included the following documents which you might find helpful: Certificate of Motor Insurance, Statement of Fact, Policy Schedule and Policy Booklet. You can access your updated Policy Booklet in **Your Insurance Account** or online at www.tescoinsurance.com/car-insurance/standard/existingcustomers.

Please review these documents together with the Consumer Credit Agreement that gives details of the terms of your Direct Debit plan to ensure that the information is correct and check that the level of cover meets your needs. If you find that something isn't correct, please let us know by calling 0345 246 2895*, and we'll be delighted to assist you. **Inaccurate information could result in declined claims or policy being void.**

2. Check what other cover you already have. We want to help you make the most of your cover. If you have insurance policies elsewhere it's useful to make sure those benefits don't overlap with your selected personalised cover.

3. Changes to your policy terms and conditions. We've recently updated our policy terms and conditions, the document attached called 'Important changes to your terms and conditions' helpfully outlines the main changes and how they affect you.

Your easy, automatic renewal

We've made renewing your car insurance easy and stress-free. That's why your policy will automatically renew with us next year. With automatic renewal you can:

- ✓ Rest assured knowing that you won't be left uninsured
- ✓ Save time, knowing that you don't need to contact us
- ✓ Sit back and relax, because we'll send you a helpful reminder about your automatic renewal about 21 days before your renewal date

As your policy will automatically renew next year, you won't need to contact us. However, you can opt-out of automatic renewal at any time.

We're here to help

If you have any questions about your cover, or would like to discuss your policy, please call us on 0345 246 2895* and we'll be delighted to help you.

It's important you know that missed payments can show on your credit file and may affect your credit score for up to 6 years, which could affect your ability to get credit in the future.

Furthermore, if you need any additional support, we'd be happy to help, so please call us and let us know. This will ensure that our colleagues can give you the support you need now, and in the future.

Thank you for choosing Tesco Car Insurance, we look forward to protecting you and your car.
