### **Pay Monthly Planned and Pay Monthly Predict.**

9.5 Our Pay Monthly Planned and Pay Monthly Predict Services enable you to pay a single monthly charge for your Predict or Planned Delivery Service over a 12 month period, to help you to better manage what you spend.

9.6 When you sign up to receive the Predict or Planned Delivery Services we will ask you about your property to estimate your likely annual consumption of the Fuels. We then multiply this figure by an estimated average Unit Price (plus VAT) for the following 12 months which gives an estimated annual charge for the Fuels that you would use if you carry on as normal. This estimated annual Charge is then split into 12 equal parts to which gives a "Monthly Charge". We will take the Monthly Charge from your bank account under a direct debit mandate as agreed with the bank account holder(s). Our Pay Monthly Services are not open to anyone who owes us money unless you pay that money in full or we agree to other arrangements for the payment of that money. Any repayment arrangements will not affect our right to demand full payment for unpaid money immediately at any time.

9.7 We will monitor your use of the Fuels as part of our Predict and Planned Delivery Services as explained above and will review your account on a quarterly basis to ensure that your monthly payments are sufficient to cover your usage. We will vary the Monthly Charges if necessary, giving you at least 5 days' notice.

9.8 By the end of your 12 month contract period, your account balance must be either cleared in full or in a credit position. Any credit amount will be automatically refunded to you. If there is an outstanding balance on your account, we will notify you and then debit this amount from your bank account to bring your account up to date.

9.9 Either you or we can cancel the Pay Monthly Service (and the related direct debit) by telling the other in writing one month before you/we want it to end. If the Pay Monthly Service is cancelled we will amend your last Monthly Charge to include any extra amount / refund needed to bring your account balance to zero. If you terminate the Predict or Planned Delivery Service, this Pay Monthly Service will automatically end at the same time.
