

Ways to Pay

Due to the Anti-Money Laundering Regulations to which we are subject please do not pay cash into our account. Attempts to deposit funds in cash may be rejected by us and will cause delay in your matter for which we will not be responsible.

Please do not pay funds to us until your ID has been verified and we have requested funds. Please include your unique matter reference on all payments so that we can allocate your funds correctly. The matter reference can be found on all correspondence from us.

Whether you need to let us have funds for your transaction, pay disbursements or pay a bill, these are the options available and the details you will need:

1. For standing orders, Internet, BACS or CHAPS transfers:

Atkins Dellow LLP Client Account
Lloyds Bank
9 Buttermarket, Bury St Edmunds, Suffolk, IP33 1DB
Sort Code: 30 64 22
Account No: 34782168
IBAN: GB51 LOYD 3064 2234 7821 68
SWIFTBIC: LOYDGB21666

Note: A BACS payment may take 3-4 working days to appear in our account. Please notify us in advance of your intention to transfer the funds directly in our account so we can immediately allocate these funds to you.

2. By Debit or Credit Card. These payments can be taken at our office in person or by telephone. Note:

- (a)** There is a limit of £2,000.00
- (b)** These payments take up to 5 working days to clear in to our account
- (c)** We are charged a fee for handling Debit and Credit Cards however in line with the EU ruling we will not transfer this charge to you. As such, we ask that you make payments by Bank Transfer wherever possible. Please also note that card payments may take up to 5 days longer to clear into our account than payment by direct transfer.

3. By cheque made payable to "Atkins Dellow LLP". Please remember that if these funds are required for a completion the cheque will take 7 working days, after we have received the cheque, to clear into our account.

4. Interest on outstanding balances. Under the terms of our engagement we are entitled to charge interest on outstanding balances that are outstanding for more than 28 days at the rate of 8% above Bank of England Base Rate. If terms are properly agreed for payment and adhered to we will not usually seek to enforce the interest charge. If monies due to us for costs and disbursements are not settled in full on the agreed terms then we will pursue recovery of the debt and interest by the appropriate procedure.

We suggest that funds required for completions are cleared in our account the day before the set date to avoid delays or failure to meet a deadline.

We only accept funds from a third party in very limited circumstances and this must be discussed and agreed with the lawyer responsible for your file before the funds are sent to our accounts.
