Making a Claim

If there's a problem at your Property, and you need to make a Claim, please contact us as soon as possible.

You can Claim by telephone or if the Policy allows through your online account. The telephone number to Claim can be found on the Policy Schedule within the Policy documentation. Claims can be made by you or a person acting on your behalf. We won't be able to cover the cost of any work carried out by people not authorised by us.

We will ask a series of questions to help establish whether your problem is covered by the Policy. We may also offer to help you resolve minor problems yourself. If this isn't possible, a Claim will be registered and we will book one of our engineers to come and assess the problem, in line with the Policy Terms & Conditions.

You cannot make a Claim under the Policy for any problem occurring, prior to the Policy start date, while Maintenance Work is required or during any relevant Exclusion Period as set out within the Policy Schedule.

Excess payments

If your Claim requires a Policy 'excess' to be paid, this will be detailed on the Policy Schedule. This will need to be paid each time you make a Claim. Payment will be taken before we send an engineer. We can only accept payment using; MasterCard, Visa or Visa Debit payment cards. The card holder needs to be present to authorise the card payment for an excess to be paid. The Policy then covers the remaining cost of the Claim up to the Claims limit.

If the Claim is cancelled before our engineer arrives, or if they don't start any work due to the problem not being covered, your excess payment(s) will be refunded and the Claim will be cancelled. However, if an Investigation is carried out and we find the problem is not covered by the Policy, your excess payment will not

be refunded. Where you or our engineer identify additional work that is not linked to the original problem claimed for, you will need to raise an additional Claim and pay another excess.
