09 November 2025

Dear Mrs H Thomas

Your Subsidence Insurance Claim At: Mapletree Cottage, Kings Mead, Pebmarsh, Halstead, CO9 2NA, United Kingdom

I refer to my visit to your property on 08/11/2025 and I would like to thank you for your assistance and hospitality at that time.

Following our recent inspection, I write to confirm that we have now submitted a retained authority report to your Insurer. This report outlines our initial findings and recommendations, and we are currently awaiting their instructions.

As discussed, please be reminded that your policy carries an excess of £1,000, which will be applicable should the claim proceed.

We have requested clarification from the Insurer regarding any previous subsidence claims or monitoring activity at the property that you may not be aware of.

In parallel, we would be grateful for your advice as to whether Mr Thomas has any knowledge of previous claims or can offer any explanation for the presence of the historic monitoring pin observed on the side elevation of the property prior to our attendance.

In addition, we will require signed authority from Mr Thomas confirming that he is happy for us to deal with you directly in relation to this claim, and that he does not wish to be involved in its ongoing administration. This is necessary due to his continued insurable interest in the property.

Once we receive the Insurer's instructions, we will be in touch to advise you of the next steps.

Please be assured that I will revert to you as soon as I have further instructions from Insurers and if you have any queries, please do not hesitate to contact me.

If there are any specific circumstances or requirements that you think we should know about in the handling of your claim, please let us know.

When corresponding please ensure our claim reference is included within your communication.

Yours sincerely

Matthew Turner
