Dear Mr Thomas

Important changes to your Medicash policy

We are writing to inform you that your Medicash policy will be changing from 01/10/2025. Full details of your new benefits and entitlements which will take effect from this date can be found on the enclosed benefit table. At the same time, we are realigning the benefit period for all employees within your organisation so that everyone's benefit period runs from the same date each year.

Please find enclosed, your updated Policy Schedule to reflect this change. This schedule replaces those previously issued and should be kept in a safe place. If any of the information recorded on your Policy Schedule is incorrect, please contact us immediately.

Important note – Unfortunately not all android devices automatically update. As your Medicash plan has recently changed, if you have an android device would you please check that the Benefit Table on your Medicash App matches the Benefit Table attached to this letter. If they differ I am afraid that you will need to re-register your device. You can do this by firstly un-registering the Medicash App;

- Select My Account from the Menu on the top left of your Medicash App,
- Select Un-register, you will be asked to do this twice.
- You will be directed back to a screen which allows you to re-register your device.
- Your new Benefit Table will be waiting for you

If you have any further questions, please get in touch with our customer services team on the number above.

Yours sincerely

Marj Murphy
Head of Customer Operations
